Have you ever sought or held any elected or appointed office?

If yes, please describe:

Is there anything in your background, personal or professional experiences we should be made aware of?

Anything else you would like to share with us? If yes. Please describe:

1. What are two or three of the most critical issues facing law enforcement today? What policies would you support or champion to help resolve the issues.
2. Do you support collective bargaining for law enforcement associations (unions) and should its members be allowed to voluntarily donate money to their association for political purposes through voluntary payroll deductions?
3. How do you feel about law enforcement associations representing the interests of their membership at the State Capitol?
4. Do you think law enforcement Labor is different than other types of Labor Unions, therefore should be treated differently by policymakers?
5. Please share your position or opinion on “defund the police” movement. Are you seeking or accepting endorsements or contributions from any organizations that advocate for this movement?
6. What is your opinion on “qualified immunity” for peace officers functioning within the scope of their duty?
7. Do you support defined benefit pensions plans for public safety personnel? Other than the recent reforms would you recommend any changes to the current pension structure?
8. What is your opinion on the basic rights afforded under the Peace Officer Bill of Rights? Would you recommend any changes to this law?
9. Homelessness is one of the biggest issues facing California. What role, if any, do you see law enforcement playing in helping to solve the homelessness crisis?
