### Detention Deputy Cody Blackburn Visits the White House

Kern County Detention Officers Association - LODGE 3

I want to thank the Fraternal Order of Police and the Kern County Detention Officer Association FOP California Lodge 3 for allowing my wife and I to experience this trip to the White House. Being a first responder and contracting Covid-19 was a difficult time for my family and I. Trying to explain to a two and four-year-old why daddy was not able to come out of his room for 14 days was rough. But my wife was amazing during this time, so I cannot thank her enough.

Being selected to go to the White House and join President Trump and the First Lady in the 4th of July events to represent myself, my family, my work family, the Kern County Sheriff's Office, FOP, and KCDOA was incredible. I felt honored that during these rough times for law enforcement, I was appreciated and acknowledged after contracting this horrible sickness. While in Washington, D.C., my wife and I were nervous due to all the events. But once we arrived at the Willard Hotel, we were greeted with kindness and hospitality.

My wife and I were able to visit the Washington Monument and see the fantastic architecture D.C. has. Once at the White House, we were very excited to have dinner on the South Lawn. It was stunning for my wife and me to be at the White House and hear President Trump speak.

Everything from the military fly over to the firework show was an unbelievable experience. I could not be more honored; this was a rewarding time in my career to be able to do this. I cannot thank everyone enough who was involved and putting the event on.

Stay healthy and stay safe.
