We're pleased to announce that we've teamed up with Aetna to offer Medicare-eligible FOP retirees and their spouses four Medicare Advantage plans designed to take a total approach to health and wellness — offering medical, prescription drug, hearing and vision coverage. These plans are for the Medicare-eligible FOP retirees and spouses who get their insurance on their own in the individual Medicare market, and they provide coverage starting January 1, 2021. Enrollment for new members in these plans is going on now and goes through December 4. Learn about these benefits and more at FOP.AetnaMedicare.com.
